Statesmen '58

*Washington-Henry High School
Ellenon, Virginia*

To YOU, the WASHINGTON-HENRY STUDENTS,
we present THE 1958 STATESMEN. May you see por-
trayed here pleasant memories of your year at WASH-
INGTON-HENRY, as we have seen the SPIRIT of
STATESMEN mirrored in your smiles, in your work,
and even in your tears. Through you the SPIRIT of
STATESMEN becomes not an ideal, but a reality. If
you can find a touch of this SPIRIT in these memories,
we shall feel that our work has been rewarded.

THE STAFF

Dedication

Mrs. Helen Marks

Mrs. Kathryn Winfrey

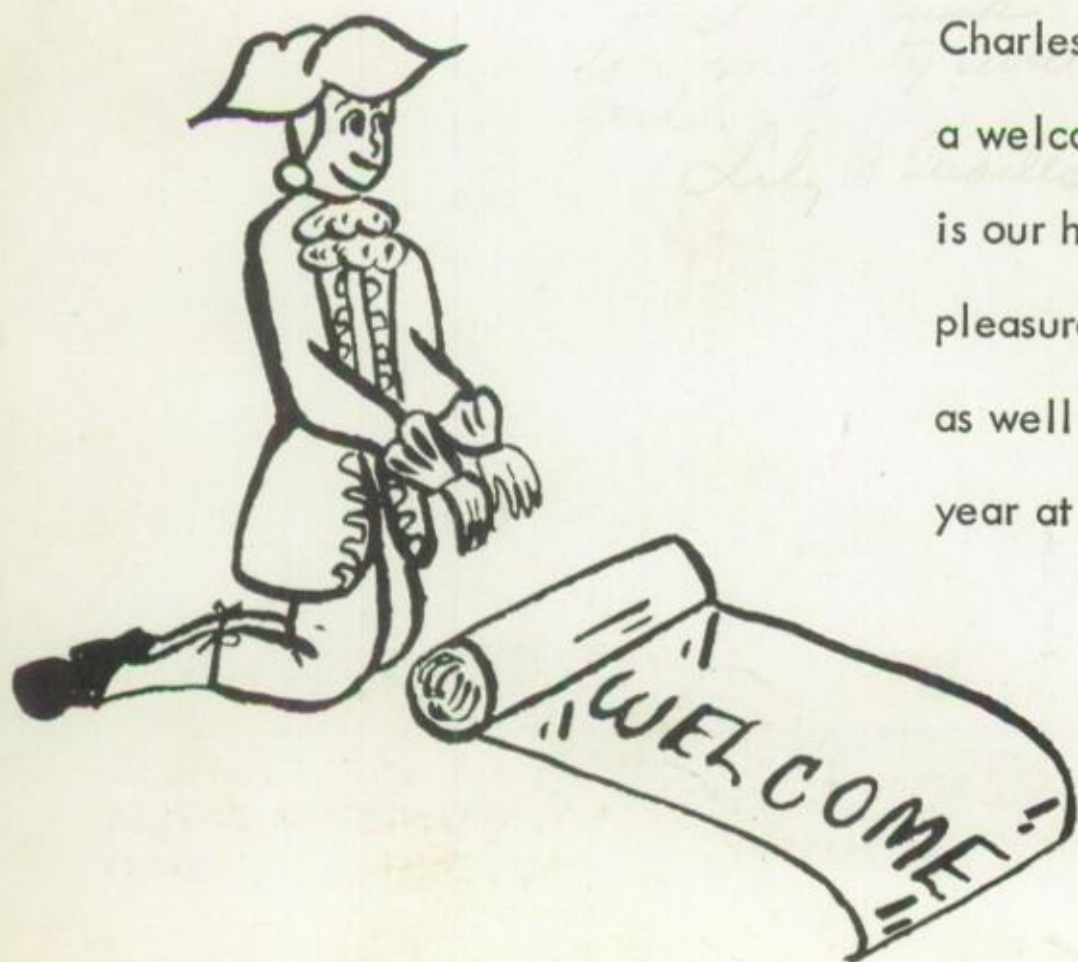

TO YOU, MRS. MARKS AND MRS. WINFREY, in grateful recognition of your sincere interest in our progress and the high ideals to which you have inspired us, we, the Senior Class, lovingly dedicate this, the 1958 STATESMEN, in the hope that it will express in some measure our appreciation for the time and effort you have so freely spent. The success that we have attained is largely attributed to your guidance. May your influence remain forever stamped in our minds.

Carolyn, it has
been nice knowing
you this year and
I have enjoyed
working with Leslie.
H. Dameron

Welcome

To you, Mr. Dameron, Mrs. Dameron,
Charles, James, and Willmore, we extend
a welcome to our school and community. It
is our hope that your stay here will be
pleasurable and prosperous. May your lives,
as well as ours, be enriched through this
year at Washington-Henry.

The Mark of a Champion . . .

When a young man can face the business world with the same undaunted courage that he bucks the line in football, and can take the bumps that inevitable will come to him in business, and can keep his fighting spirit and keep smiling . . . then he has the mark of a champion. The world needs young men like this and the world will make way for them. The life insurance business needs such men, so why not prepare yourself for a career in the life insurance business. It's a business of opportunity for young men of ambition and vision.

A tip for a miss who's extra special

If you are an alert young woman, you'll find an "extra special" job at the telephone company.

You'll meet lots of young people your own age... work in pleasant surroundings... receive good pay while you're being trained... get regular raises. And you don't need any experience!

Best of all, you'll be helping almost everyone in your community. Why not find out more about the advantages of telephone work?
